Dear brothers and sisters,

We would like to thank you for the help in food and other items for the people in Obrenovac who have been tragically flooded and lost their properties.

The team for distribution of the Union of Baptist Churches in Serbia will distribute that in next few days in Obrenovac on behalf of you, our brothers and sisters, who have graciously given these gifts.

Please, pass our thanksgiving to every church and individual brother and sisters in Romania who participated and partnered with us in that.

May the Lord bless you

In His name
